Make & Skate

Before we know it, the winter weather will be upon us and our beautiful *Natrel Pond* will have frozen over to become *The Natrel Rink*! Why not take advantage of this by booking one of our Make and Skate programmes? Spend half of your day within Harbourfront Centre completing one of our visual arts programmes, and half the day on the rink fulfilling your DPA requirements! Rentals are also available to fulfill your students skating needs! Bookings for our Make and Skate programmes run from December-mid March.

Enjoy a full day winter adventure at Harbourfront Centre!

Price: \$11 (Additional charge per person for skate & helmets)
